WORK SHARE PROGRAM

Dear Brothers and Sisters:

The ratified term for participation in work share will expire effective October 16, 2009.

At this point in time your Negotiations Committee will not be seeking a ratified extension for involuntary participation in work share.

The Negotiations Committee is however prepared, on an interim basis up to December 31, 2009, to allow the continuance of a 20% (twenty percent) work share program on a strictly individual voluntary basis, where no work is available, consistent with the terms of Letter of Agreement #7.

Those Members that wish to continue participation in work share on a voluntary basis must indicate their participation each week by signing the work share sign-up list. The Work Share Committee will convene every Tuesday afternoon to assess the workload and will confirm with those employees that have signed the voluntary list.

Thank you for your continued support and patience. Should you have any questions or concerns, please speak directly with a Member of your Negotiations Committee.

In solidarity,

Tania Canniff, General Chairperson
Transportation District 140, IAM & AW
