ONLINE SURVEY

2011 COLLECTIVE BARGAINING FOR AIR CANADA MEMBERS

The online bargaining survey for all of our members employed with Air Canada in all categories and work locations is now online at the Local Lodge 764 website.

PLEASE, PLEASE, PLEASE take the time to go to www.iam764.ca and fill out your survey. This survey is the primary source of information for your 2011 Negotiations Committee. The information each of you provides through this survey will determine which items get put on the negotiations table with the Company and what importance and priority they are assigned.

Every one of us has at least one item they want included, deleted or amended in the Collective Agreement. This survey is the vehicle by which you are able to communicate your items and their importance to your Negotiations Committee.

THIS SURVEY WILL BE POSTED AND ACTIVE FOR 3 WEEKS ONLY

Respectfully,

**** PLEASE POST ****

Christopher Hiscock, President
