## Guidelines

The scholarship competition is open each year to IAM members and their children throughout the United States and Canada.

Scholarships for a Bachelor's degree or a two-year vocational/technical certification are determined in a competition among eligible applicants that is judged by an independent Selection Committee.

Awards to Members are \$2,000 per academic year. They are granted for a specific period from one to four years

leading to a Bachelor's degree or a two-year vocational/technical certification.

Awards to Children of Members are:

- College — \$1,000 per academic year. All awards are renewed each year until a Bachelor's degree is obtained or for a maximum of four years, whichever occurs first.
- Vocational/Technical School — \$2,000 per year until certification is reached or for a maximum of two years, whichever occurs first.
