

BOYCOTT!

the cafeteria at

Air Canada

Operations Centre

On Sunday, September 25, 2011, Sodexo took over the contract to operate the cafeteria at the Air Canada Operations Centre. The cafeteria has been staffed by a loyal group of long-term employees, members of UNITE HERE Local 40, many with more than 20 years serving Air Canada personnel. Sodexo and Air Canada are refusing to hire all the current cafeteria employees. They want to pick and choose who to keep and who to get rid of. This is wrong.

The Air Canada cafeteria workers are asking for your support. Please refrain from using the 3rd floor cafeteria in Air Canada Hangar/ Ops Centre until the entire cafeteria staff is re-hired. Tell Sodexo and Air Canada: if you throw out your long-term employees, you throw out our business, too.
