

TMOS NEGOTIATIONS 2011

Technical Maintenance and Operations Support

We are the largest unionized workforces at Air Canada.

Without us, it's all grounded.

Negotiations Update Bulletin September 1, 2011

District 140 Negotiations
Update Bulletin 006

We would first like to welcome the newly elected representatives to the committee:

James Lundy – Local Lodge 2323

Robert Laflamme – Local Lodge 2323

Trevor Drennan – Local Lodge 1751

Tony Rupps – Local Lodge 714

Your Negotiations Committee met on August 24 and 25 in Ottawa for internal discussions. During these two days, the committee reviewed the agenda and the process. Chuck Atkinson, President and Directing General Chairperson of District 140, attended the session to explain to the group how this new process will work. He also distributed copies of the District bulletin on the negotiations process and fielded questions.

We've presented Air Canada with some dates in September to resume negotiations. They've told us, however, that they will not be ready until sometime in October.

They obviously don't seem in a hurry to get to our negotiations. Guess they don't consider the largest unionized group important enough to schedule dates now. Perhaps someone in management can answer your questions as to why not!

Thank you for your continued patience.

In solidarity,

Gary Sinclair
General Chairperson, District 140
Co-Chair, Negotiations Committee
