District 140 Negotiation  
Update Bulletin 004

Just an update on last week's happenings.

Your negots team members were in direct negotiations last week with Air Canada. We exchanged agendas with the Company and sought some clarity on their items, as they did ours.

Early this week, both the Union and the Company agenda should be ready for distribution to you, the membership.

Your negotiations representatives will be going on the floor this week as well to distribute agendas and answer questions.

In solidarity,

Gary Sinclair  
General Chairperson, District 140  
Co-Chair, Negotiations Committee
