## NEW EMAIL ADDRESSES

### LOCAL LODGE 764 EXECUTIVE & OFFICERS

---

Effective today, January 4<sup>th</sup>, 2011 all of the Local Lodge 764 email addresses will be changing from the former “@telus.net” domain to the new “@iam764.ca”

There are also some changes to the email names to make them consistent with the change over in the email domain. For example, my former email address of [pres764@telus.net](mailto:pres764@telus.net) has now changed to [president@iam764.ca](mailto:president@iam764.ca).

This change is effective for the email addresses of all LL764 Executive members, Tech Ops and Airports Shop Committee Chairs and members, the Air Canada Clerical Chief Shop Steward, the MTU Senior Steward, the United Airlines Senior Steward and the Local Lodge 764 general contact and Office Assistant email accounts.

A full list of the new email addresses is available on the Local Lodge 764 website [www.iam764.ca](http://www.iam764.ca) under the “Contacts” tab at the top of the home page as well as on all of the LL764 Bulletin Boards.

This change is a result of moving our email accounts from Telus webmail onto our own small business server network which was installed and setup in the summer of 2009. This move will provide both enhanced email service for the users and a cost reduction in our internet service contract.

Respectfully,
